

## Iconic sound. All round.

A statement in sound and sight. Beosound A9 makes every musical moment rich, detailed and immersive – all from a seamless circular shape that blends in beautifully or stands out confidently.

Crafted from premium anodised aluminium, fabric and real oak, it's a timeless work of art that can be customised to match your space and taste.

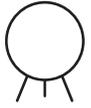

When it's time to dial up the volume, simply slide your finger gently across the top surface – and with a simple tap you can skip to the next or previous track and play/pause your music.

### Why you'll love it

-  Room-filling sound
-  Customisable beauty
-  Slide and tap control
-  Part of Connected Speakers
